# MAD HATTER MAKES NEW RECORD FOR MILE AND A QUARTER

# GALLOPS DISTANCE IN RAIN IN 2:03 2-5

Giant Son of Fair Play Easily Best of Field in Pierrepont Handicap.

HULLABALOO

Beats Sprinters and Equals Mark of 1:05-Brainstorm a Victor.

By HENRY V. KING.

A drizzle which lasted all afternoon made the track at Jamaica lightning 990 fast yesterday. As a result the old mile and a quarter figures were smashed to smithereens, the five and a half furlong mark equaled and exceptionally fast time made in the other

It was Harry F. Sinclair's big black horse Mad Hatter which hung up the in last sixteent new record for the mile and a quarter. In the Pierrepont Handicap he steppe the distance in 2:03 2-5, two and thre fifth seconds better than the mark of tablished by The Southerner in 190 And he accomplished his remarkab feat without the slightest appare

To the thousands of race toers prese it seemed as if he were only gallopin throughout. The event was only a three horse affair, Mad Hatter, Richard Wilson's Sedgefield and Frank Brown

horse affair, Mad Hatter, Richard T. Wilson's Sedgefield and Frank Brown's Hephaistos being the, only contestants. There was no pace in the race and Mad Hatter was full of run. Sande held him under slight restraint for about a furlong in the hope that one of his opponents would have speed enough to set the pace. When he found that both Sedgefield and Hephaistos were too slow for his big mount despite the restraint he gave Mad Hatter his head and right there and then the \$5,000 stake was practically decided.

The big son of Fair Play bounded away from his opponents and in less than a sixteenth of a mile was winging along half a dozen lengths in front of Hephaistos, who was a similar distance ahead of Sedgefield. Just before rounding the bend out of the backstretch Sande took a tight hold on Mad Hatter and gave him a breathing speil. But despite the star jockey's strong arm Mad Hatter sped along fast enough to maintain his lead. Entering the home stretch Sande for a second time gave him free rein and running to the middle of the track he increased his lead until a sixteenth of a mile from home he was a dozen lengths in front. With the race as good as over Sande began to pull him up and he went past the judges six lengths in front. Sedgefield mished with a rush and took the second end of the purse by a length and a half.

Hullabaleo Sprints Fast.

for several years, Peters rode like a reat jockey yesterday. He got Transient away from the barrier winging, rode him into a commanding lead, then steadled him down and when challenged in the stretch put up a first class finish. He landed Transient home the winner three parts of a length in front of Juno, Wylle was third.

## Brainstorm Likes Any Route.

Brainstorm Likes Any Route.

Brainstorm is a high class sprinter as well as a record breaker over a distance of ground. In the Montague Handicap he led home half a dozen of the best sprinters in training. Carrying the light impost of 102 pounds and with little Snookums Bell in the saddle he ran an exceptionally fine tace. He went away from the barrier rather sluggishly but so as to avoid pockets and interference Bell took him to the outside and allowed him to gradually overhaul the leaders. In the stretch he came with a rush and at the end was two lengths in front of Horologe. My Reverie was third.

August Belmont's Amusement was probably the best horse in the race but ahe never had a chance of victory, As the barrier went up Aladdin bolted across the track and nearly knocked her down. McAtee had to pull her up and this made her a dozen lengths behind the leader. When she settled down she ran like the wind but McAtee didn't abuse her and she failed to earn any part of the purse.

second consecutive year. At the end of the morning the New

foursome matches. This meant that starting the afternoon round all they needed was to win four of the ten single ontests. Instead of that they wen only two, the Boston team taking seven, and one being halved.

The match which attracted most attention in the afternoon was that bringing together Jesse Guilford, 1921 attonal rhampion, and Jesse Sweetser, winner a Brookline this season.

### Sw. etser Misses Chance.

A fifteen foot putt for a 2 at the ninth left Sweetser 1 up, turning for home, but the Boston star had the match square going to the twelfth. He makes took the fourteenth and fifteenth, where the Yale golfer needed a 6. Sweetser teduced Guilford's advantage to 1 up at the next, and it looked like his hole when at the seventeenth he left himself a foot or less of a putt for a 3. He missed, however, halving the hole, so that a half at the eighteenth left Guilford the winner.

The latter stood 1 down playing the sixteenth which he lost, his tee shot finding the water. That placed Knight dormie 2. Bicking won the seventeenth, but a nalf in 3 at the home hole left Knight a winner by 1 up. He had a 78 to 80 for the St. David's representative.

A poor start practically killed Steel's chances in the final. The first thing he knew he found himself 3 down and when Knight captured the tenth the margin stood 4 up in favor of the "Marathon King." Steel put up a plucky fight from there in but the odds were too great, the match ending at the seventeenth. Knight was going at a 77 pace.

Pierre Proal of Deal won the second sixteen prize. His opponent was W. Churchill of Overbrook, whom he defeated 4 and 2.

Hamilton Gardner of Buffalo and Hawley Quier of Berkshire played off the story of the s

and both winners were given a fine ovation.

The Meadow Brook challenge cup was another class which is sought by all owners of good horses, as the winner of it has the best hunter of the show. Themas Hitchcock with his Cavalier won the class and the award was well deserved. The 15 year old winner of many a ring contest took the jumps easily and in every way showed that the award was well deserved. Miss Becky Lanier, who has made such a wonderful showing with Silver Crest, was given the reserve, although she defeated Cavalier yesterday in the Corinthian Stake for \$1,00.

The show closed early to allow the spectators to go to the polo game.

## Auction Sale of Argentine Polo Team Ponies

E. Williston, Long Island, N. Y. Wed., Oct. 11, 1922, at 3 P. M.

Wed., Oct. 11, 1922, at 3 P. M.
We have been commissioned by the Argentine Polo Players to sell at auction on our Polo Field at East Williston, Long Island, their entire string of ponies.

The record that these ponies have made in the past year is known to every one interested in polo. From the Argentine they were taken last spring to England where the Argentine team swept all before them and won the open cup. The English critics spoke in the highest terms of the quality and speed and handiness of the Argentine ponies.

This autumn the ponies were brought to the United States for participation in the big tournaments at Rumson, Philadelphia, and Meadow Brook. At Rumson the Argentine players repeated their English success and won the open championship. These ponies unquestionably constitute the most notable and brilliant collection ever offered in this country at public sale.
